Press Conference on Gasland Part II screenings
Josh Fox Comes to Trenton to shine light on frack waste

WHAT: Press Conference announcing free showing of new film Gasland Part II. Organizations hosting Josh Fox's sequel to his award winning documentary on fracking Saturday June 15 at 4:00 pm and 7:00 pm at the NJ State Museum will explain why the film is making a special trip to Trenton before its HBO Premier. Fox will be available for follow up calls.
