When: Tuesday, November 17 at 6:30PM – 8:30PM

Lackawaxen, PA. Tennessee Gas Pipeline Company L.L.C., a subsidiary of Kinder Morgan Inc., submitted an application to the Federal Energy Regulatory Commission (FERC) on October 9, 2015 for its proposed Orion Pipeline project (Docket Number CP 16-4-000). According to TGP's filings, the proposed high pressure gas pipeline would cut across 13 miles of Pike and Wayne Counties in Pennsylvania, paralleling sections of the 127 mile long TGP 300 Line that was constructed and placed into service November 1, 2011. In 2012, TGP's Northeast Upgrade Project (NEUP) cut across an additional 40 miles of land and was placed into service November 1, 2013. The proposed Orion 13 mile pipeline would run adjacent sections of the TGP 300 Line in Pike and Wayne Counties and connect to TGP's NEUP pipeline installed and in service in 2013 that is located to the east.

A public meeting for landowners and concerned community members concerned about past and proposed impacts will be held on Tuesday, November 17th at 6:30pm at the Lackawaxen Township Volunteer Fire Department – Station 31 (Rte 590, Lackawaxen, PA 18435). The meeting is being hosted by The Lackawaxen River Conservancy, Energy Justice Network, Delaware Riverkeeper Network and other concerned groups.
