**Update: Sunoco Mariner East Petition for
Exemption from Local Zoning Remanded for Further Consideration.**

**Commissioners reject Administrative Law Judge Recommendation on the
Matter.**

Harrisburg, PA: At a meeting of the Pennsylvania Public Utility Commissioners Meeting today, October 2, 2014, in a vote of 4 to 1, the Commissioners voted to reject the Administrative Law Judge recommendation to dismiss Sunoco's petitions for exemption from local zoning ordinance for a lack of jurisdiction. The Commissioners determined they do have jurisdiction to make a determination regarding Public Utility Corporation status of Sunoco that would result in exemption from local zoning and as such remanded the petition back to the PUC for further consideration. The one dissenting Commissioner was James H. Cawley.
