Dear Senator Sweeney, Assemblyman Burzichelli, and Assemblyman Taliaferro,

We are resending the attached letter. We received a call from your staff after we submitted this complaint letter to you in November. The staff person assured us that the matter was under investigation.

We have received no report or follow up phone call since November and there has been no attempt to meet with the residents. The truck traffic is the same and the conditions are absolutely intolerable. We are surprised and disappointed that you have not responded, as are the Gibbstown residents.

Please advise as to what action you will be able to take to address this matter. This situation requires immediate attention and is a matter of public safety and health.

Respectfully,

A handwritten signature in blue ink that reads "Tracy Carluccio".
