

Reverend Evers Park Stewardship Day

WHEN: Saturday May 21, 2016, 9 AM to 1 PM

WHERE: Reverend Evers Park, opposite the Creative Arts Morgan Village Academy in Camden, NJ. If driving, head to 951 Hunter Street (off of Morgan Boulevard) and drive into the park to our parking location.

WHAT WE WILL DO: Planting trees, mulching, and litter cleanup.

WHY: We are establishing a native buffer along Newton Creek, and taking care of trees and a vegetated swale we installed last year, to help improve water quality and habitat while beautifying the park.

WHAT TO BRING: Dress in layers based on the weather. Make sure to wear long pants and old shoes/sneakers or work boots. We'll hold the event rain or shine. We'll provide gloves and tools.

CONTACT INFORMATION / REGISTRATION: For more information, please email John Nystedt at john@delawariverkeeper.org -- Please register by May 14 (but drop-ins are welcome!).

SPONSORS: Wakefern Food Corp./Ravitz Family Markets (PriceRite & ShopRite), Delaware Riverkeeper Network, Morgan Village Circle CDC, and Newton Creek Watershed Association. Primary funding for this event is provided by the ShopRite and the National Fish & Wildlife Foundation.

Snacks, water and lunch will be provided
