Dear Ms. van Rossum:

This is in response to your letter dated June 7, 2011, in which you requested an extension to the public comment period for the Draft Environmental Assessment for the Delaware River Main Channel Deepening Project. Based on the document's brevity, the Corps believes the time allotted for public comment is adequate. However, in consideration of your request, we will extend the public comment period by 15 days to July 6, 2011. We will issue a revised public notice shortly.

Sincerely,

for *C. MacIntosh*
